

TABLE 4.5 MANITOBA DENSITY OF QUALIFIED STAFF IN CHILD CARE CENTRES

Proportion of staff required to be ECE IIs or IIIs:

- Two-thirds of staff in infant and preschool centres
- Half of staff in school-age centres and nursery schools

In full-time or school-age child care centres, at least one staff person per group of children must be ECE II or III. Directors of full-time child care centres must have an ECE III qualification and one year of experience working in child care or a related setting.

Directors of nursery schools and school-age programs require an ECE II and one year of experience working in child care or a related setting.
