

TABLE 4.1 NUNAVUT CURRICULUM FRAMEWORKS

Program	Framework Document
Kindergarten ^a	<p>The curriculum for Kindergarten includes these strands: Communication, Language, Creative and Artistic Expression, and Reflective and Critical Thinking.</p> <p>The department website provides approved curriculum guides and resources for educators.^b</p>
Regulated Child Care	<p>A curriculum framework for licensed child care is in development. The division continues to develop and distribute teaching resources (e.g., books, toys, posters, etc.) that are linguistically, culturally, and environmentally appropriate to Nunavut. These are sent to all licensed facilities without charge.</p>
