

TABLE 3.5 YUKON PERCENTAGE OF CHILDREN ATTENDING ECE PROGRAMS BY AGE GROUP

| Child Ages | Number of Children^a | Child Care/ Preschool^{b,c} | Kindergarten | Other ECE Programs | % Children Attending ECE Programs |
|--------------------------|---------------------------------------|------------------------------------------------|---------------------|-------------------------------|--------------------------------------------------|
| 0 to <24 months | 944 | 203 | | | 25% |
| 24 months to <5 years | 1,418 | 528 | 66 | | 42% |
| 5 years | 487 | | 435 | | 89% |

a Statistics Canada. Table 17-10-0005-0. July 1, 2019.

b Personal Communication. Government of Yukon. Health and Human Services. August 12, 2020. Represents actual occupancy in Yukon licensed child care programs.

c Child care figures for children 5 years of age not reported to avoid double counting. It is assumed children attending child care also attend Kindergarten.
